I. APPLICABILITY OF THE A/E MANUAL

The Commonwealth of Virginia Construction and Professional Services Manual – 2004 Edition, Chapters 1 through 10 (the A/E Manual) shall apply to the contract awarded pursuant to this RFP and is incorporated by reference herein in its entirety.

Proposer's attention is directed to Chapter 2, Definitions, for definitions of terms used in this RFP. The terms "Agency" and "Owner" are used interchangeably in the material referenced in this RFP and mean the public body issuing this solicitation for services and with whom the successful A/E Proposer will enter into an agreement. For purposes of clarity and uniformity in this RFP, only the term "Agency" will be used herein.

Proposer's attention is also directed to Chapter 3, General Terms and Conditions for Professional Service Contracts.

II. PURPOSE

The purpose of this RFP is to solicit proposals for the purposes of entering into up to two (2) separate contracts through competitive negotiations for the professional services of an Architectural/Engineering firm, authorized to do business in the Commonwealth of Virginia, with experience in HVAC system replacements in existing buildings.

The A/E shall provide professional services for the project described in Part V of this RFP consistent with the A/E Manual, as revised, and latest directives issued by the Division of Engineering and Buildings concerning construction and professional services for new and renovated State buildings.

III. BACKGROUND

The Department of Mental Health, Mental Retardation and Substance Abuse Services (DMHMRSAS) provides treatment, habilitation and prevention for individuals and their families whose lives are affected by mental illness, mental retardation or substance abuse disorders. As a part of this service system, DMHMRSAS operates 16 state facilities to provide highly structured intensive inpatient treatment and habilitation services.

This RFP contemplates the replacement of existing HVAC systems at the following facilities:

DMHMRSAS – Central State Hospital: Replacement of the HVAC system at Building No. 114, a mental health program facility. Estimated construction cost is \$1.75 Million.

DMHMRSAS -Northern Virginia Training Center: Replacement of the HVAC system at Building No. 1, a dual use building which provides services to severe and profoundly retarded citizens and administrative office for the facility. Estimated construction cost is \$1.75 Million.

IV. INFORMATION AVAILABLE

Site information is available at each of the individual facilities. The Owner has plans for the existing buildings that will be made available to the selected firm after the contract for professional services is signed. For appointments to visit each facility please call the individuals as follows:

Central State Hospital: Albert Walton

(804) 524-4723

Northern Virginia Training Center: Tom Israel

(703) 323-4075

V. SCOPE OF SERVICES:

The Agency's documents indicated in Section IV above describe the program, siting, appearance, aesthetics, functional arrangement, and level of quality desired by the Agency.

The selected A/E shall furnish all expertise, labor and resources for complete design and construction period services for the project in accordance with the requirements of the A/E Manual. The following generally highlights the services that the A/E will be required to perform:

- A. Prepare an evaluation to refine, clarify, and define the Agency's project description, data, and requirements as necessary. Respond to all BCOM and other agency review comments and resolve outstanding design issues at the various phases by taking appropriate action in the design of the project. The evaluation phase documents will define the full scope of the contemplated project and cost estimates for the proposed work and shall be completed no later than December 15, 2006.
- B. Provide complete construction contract documents with professional seals and signatures in accord with the procedures of the A/E Manual. Documents must be complete and ready for bidding not later than May 30, 2007.
- C. Assure that the construction contract documents are in conformance with generally accepted architectural and engineering practices and comply fully with all applicable codes and regulations including, but not limited to, the Virginia Uniform Statewide Building Code, and the Uniform Federal Accessibility Standards.
- D. Provide specifications that reflect current requirements, standards and product availability.
- E. If applicable, develop and prepare construction documents for an Erosion and Sediment Control Plan and a Stormwater Management Plan. Obtain approvals from required Agencies.
- F. If applicable, coordinate the design of utility connections with local utility provider and obtain necessary approvals. Agency will pay filing fees and connections charges, as required.
- G. Prepare A/E cost estimates for the project per Chapter 8 and Appendix E of the A/E Manual.
- H. Represent the Agency by presenting necessary oral and/or graphic presentations to State Agencies such as the Art and Architectural Review Board, the Division of Engineering and Buildings or any other group having interest in the project.
- I. With the Agency, present necessary oral and/or graphic presentations to stakeholder and/or other groups having an interest in the project.
- J. Complete all forms and documents in formats required by the A/E Manual. Process the same in accord with the Agency's instructions. Provide services to assist the Agency in the bidding and award of the construction contract.
- K. Provide services for the construction phase, as required by the A/E Manual, for the administration of the contract.

VI. POLICY ON SMALL BUSINESSES AND BUSINESSES OWNED BY WOMEN AND MINORITIES:

It is the policy of the Commonwealth of Virginia to contribute to the establishment, preservation and strengthening of small businesses and businesses owned by women and minorities and to encourage their participation in state procurement activities. The Commonwealth encourages contractors to provide for the participation of small businesses and businesses owned by women and minorities through partnerships, joint ventures, subcontracts, or other contractual opportunities. Submission of a report of past efforts to utilize the goods and services of such businesses required with any proposal for A/E services where the total A/E contract amount may exceed \$100,000. Proposer must provide information on its past utilization of Small, Women, and Minority Owned disadvantaged businesses, and must also state any plans to utilize such businesses and the manner in which they may be utilized under this Contract. Electronic copies of the "Small Businesses and Businesses Owned by Women & Minorities" Data Forms are available for download at the www.dgs.virginia.gov website

VII. PROPOSAL REQUIREMENTS:

- A. Proposals shall be signed by an authorized representative of the A/E. By submitting a proposal, the Proposer certifies that all information provided in response to this RFP is true and accurate. Failure to provide information required by this RFP will ultimately result in rejection of the proposal.
- B. Proposals should be prepared simply and economically, providing a straightforward, concise description of the A/E's capabilities for satisfying the requirements of the RFP. Emphasis should be on completeness and clarity of content.
- C. **Separate proposals shall be submitted for each facility. A single proposal for multiple facilities will not be considered.**
- D. The Respondent's proposal shall include: the completed and signed RFP cover page 1; the completed and signed Forms AE-1, AE-2, AE-3, AE-4, AE-5 and AE-6; and the completed "Small Businesses and Businesses Owned by Women & Minorities" Data. One (1) manually signed original and three (3) copies of the proposal shall be submitted to the Agency. Each copy of the proposal shall be bound in a single volume where practical.
- E. All documentation submitted with the proposal shall be included in that single bound volume. Elaborate brochures and other representations beyond those sufficient for presenting a complete and effective proposal are neither required nor desired.
- F. Clearly indicate proposed design team members/special consultants with special expertise related to the specific population to be served by the new facility.
- G. Any information thought to be relevant, but not specifically applicable to the enumerated scope of Work, may be provided as an appendix to the proposal. If publications are supplied by the proposer to respond to a requirement, the response should include reference to the document number and page number. Publications provided without such reference will not be considered relevant to the RFP.

- H. To reduce the effort and expense of responding to RFP's, provide uniformity in the type information requested, and enhance the review and evaluation process, the **standard Forms AE-1 thru AE-6, ARCHITECTURAL/ENGINEERING FIRM DATA, shall be used by A/E's responding to State agency RFP's.**
- I. Descriptions of these forms and instructions for completing the forms are included in the A/E Manual. Hard copies of Forms AE-1, AE-2, AE-3, AE-4, AE-5 and AE-6 may be found in Appendix B of the Manual. Electronic copies of the "Small Businesses and Businesses Owned by Women & Minorities" Data Forms are available for download at the www.dgs.virginia.gov website

VIII. EVALUATION AND AWARD OF CONTRACTS:

- A. Evaluation Criteria: Proposals shall be evaluated by the Agency using the following criteria:
 - 1. Expertise, experience, and qualifications of the A/E's primary designer in each relative discipline for providing the services described in Section IV, Scope of Services.
 - 2. Expertise, experience and qualifications of any special consultants proposed for providing the services described in Section IV, Scope of Services.
 - 3. Geographic location of the A/E's office where work will be performed in relation to the project location(s).
 - 4. Current and projected workload, plan to complete the work and ability to complete the work in a timely manner.
 - 5. Expertise and past experience of the A/E in providing services on projects of similar size, scope and features as those required on this project.
 - 6. Qualifications and experience of the A/E's project manager to be assigned to this project.
 - 7. A/E's recent (past 5 years) experience / history in designing projects within an established "Design-not-to-exceed" budget.
 - 8. A/E's experience in providing services in conformance to the State's Construction and Capital Outlay procedures including Codes, Standards, Accessibility and Building Efficiency.
 - 9. Use of small businesses and businesses owned by women and minorities as consultants, subcontractors, suppliers or support services.
 - 10. Size of the firm relative to the size of the project(s).
 - 11. Financial Responsibility as evidenced by the A/E's carrying Professional Liability Insurance.

Generally, the selection committee will consider the A/E's overall suitability to provide the required services within the project's time, budget and operational constraints, and it will consider the comments and/or recommendations of the A/E's previous clients, as well as other

references.

- B. **AWARD OF CONTRACT:** After evaluation of the Proposals received in response to the RFP, the Agency shall engage in individual discussions and interviews with two or more Proposers deemed fully qualified, responsible and suitable on the basis of initial responses, and with professional competence to provide the required services at each facility. Repetitive informal interviews are permitted. Proposers shall be encouraged to elaborate on their qualifications, performance data, and staff expertise relevant to the proposed contract. Proposers may also propose alternate concepts or methodology. Proprietary information from competing Proposers (including any data on estimated man-hours or rates and the plan for accomplishing the scope of work) will not be disclosed to the public or to competitors, provided such information is duly marked as "Proprietary Information" by the Proposer and the designation is justified as required by Section 2.2-4342, Code of Virginia, as revised. At the conclusion of the informal interviews and on the basis of evaluation factors set forth in Section VIII and the information provided and developed in the selection process to this point, the Agency shall rank, in the order of preference, the interviewed Proposers whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted with the Proposer ranked first. If a contract satisfactory and advantageous to the Agency can be negotiated at a fee considered fair and reasonable, the award shall be made to that Proposer. Otherwise, negotiations with the Proposer ranked first shall be formally terminated and negotiations conducted with the Proposer ranked second, and so on, until such a contract can be negotiated at a fair and reasonable fee. Should the Agency determine in writing and in its sole discretion that only one Proposer is fully qualified, or that one offer is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that Proposer.

Award of contract(s) is contingent on available funding. The Owner reserves the right to reject any or all proposals, and to award more or less work that contemplated.

IX. FEES:

The fee for services shall be negotiated on a lump sum basis considering the Scope of Services required, the estimated man-hours required for each level/discipline and the typical labor rates for the various skill levels required for the work. The Memorandum of Understanding prepared by the Agency will document the negotiated acceptable labor rates for the various levels/disciplines and these rates will be used for any hourly rate work of the A/E that is authorized by the Agency.
